## ***Declaration of conformance according to Directive 1907/2006/EC (REACH)***

Dear Customer,

to the best of our knowledge we hereby confirm that **all products** supplied to your company are made in compliance with the regulation 1907/2006/EC on registration, evaluation, authorization and restriction of chemicals - REACH, Article 33.

All products we deliver:

- contain no prohibited substances according to REACH and
- are either free from the substances listed in the ECHA list of substances of very high concern (SVHC - Issue 2019-07-16) or the concentration is below the relevant threshold.

If a change in the future will take place in the sense that we can not deliver REACH compliant, we will contact you unsolicited with information about it.

This applies explicitly also for the following products:

- **Vidacord, all types**
- **Vidatape, all types**
- **Vidaflex, all types**
- **Top Ripple Springs**

We hope these information to be useful for you.

Best regards,

Dr. Wolfgang Petzold
